**Volume** uniquely blends Calving Ease, Birth Weight and \$W ranking in the top 1% of Non-Parent Bulls in the breed, on those traits, with a phenotype that explodes with fleshing-ability, base width, muscle shape, a big foot with added bone, plus an expanded rib cavity that follows him at all angles.

This extremely docile son of the Record-Setting "Final Answer" had an individual WR 122 to give him the credentials to add trouble-free pounds to every calf crop without sacrificing maternal function. **Volume** is ideal to use on heifers and cows. Semen available from Genex. Available Spring 2014. Order today.
